Dear Parents and Carers,

Re: Extra Curricular Activities

We are delighted to be able to offer a range of additional activities/clubs for our pupils. Please ensure your child is appropriately dressed for their chosen activity.

Internal Clubs will run for the Autumn term, for 13 weeks, starting the week beginning 7th September 2026 up to and including week commencing 7th December 2026. There will be no internal clubs week commencing the 14th December, i.e. the last week of the Autumn term.

External clubs – please contact the external club directly.

To secure your child's place onto an internal club please register your interest via Arbor **and** provide the office with a voluntary cash contribution, in a named envelope, to help with preparation costs, equipment replacement, repair and encourages commitment to attendance to ensure staff time is used effectively as non-attendance can negatively impact the club's success. Please be aware that Arbor will show as £0 due. If payment is an issue please reach out via the school office to see how the school can support.

If your child is a Pupil Premium Recipient there is no requirement to make the voluntary contribution. However, we do still need you to register your interest via Arbor.

No Clubs on Monday 19th October 2026 – Parents Evening

Arbor will not allow you to proceed. If the club is full and you wish to add your child onto the waiting list, please email the school office.

If your child does not wish to attend after you have put their name down for a club, please email the office so that another child may have the opportunity to participate instead.

Please note that we will run a waiting list for any club that becomes full – in which case please email the office in order for us to put your child on it and we will contact you should a place arise.

Yours Sincerely,
